

Superjaghta – jedinstvena, veličanstvena, raskošna i glamurozna. Finalista za prestižnu nagradu Show Boats Design Awards 2017” u kategoriji za najboljeg brodskog arhitektu za poludeplasmanske motorne jaghte.

A superyacht - unique, magnificent, lavish and glamorous. Finalist for the prestigious “Show Boats Design Awards 2017” in the category for the best naval architect for semi-displacement motor yachts.

U 2016. brodogradilište Mondomarine predstavilo je 50 metara dugu superjaghtu Ipanema na najvećim svetskim sajmovima u Monaku i Fort Loderdeju.

Inače, brodogradilište je počelo sa radom još 1915. godine, a danas se prostire na 35000 kvadratnih metara korisne površine, u njemu se grade jaghte od aluminijuma i čelika duge preko 40 metara. Marketing osek se nalazi na prestižnoj lokaciji u Monaku. Ipanema je 64. po redu isporučeni brod iz ovog brodogradilišta u Savoni, a prepoznatljiva je po svojoj karakterističnoj boji. Izrazito crvena boja trupa i bela boja nadgradnje su više nego upečatljive.

Projekat je nastao kao saradnja inženjeringa Mondomarine i dizajnerskog studija Hot Lab iz Milana, a rezultat je vrhunsko delo kada je reč i o eksterijeru i o enterijeru. Ona u sebi kombinuje italijanski, francuski i engleski klasični stil. Veoma je grandiozna i elegantna. Modernan izgled broda i primena tradicionalnih, bogatih materijala čine je posebnom a njen prostor dinamičnim i zanimljivim.

Bazen na palubi sa instaliranim pametnim sistemom za hidromasažere zadivice svakoga. Veliki, zastakljeni delovi glavnog salona i salona na gornjoj palubi povezuju unutrašnjost sa spoljnim svetom i te prostorije obiluju prirodnom svetlošću. Visok sjaj kvalitetnog mahagonija, oniks, kristalni lusteri u kombinaciji sa različitim tradicionalnim stilovima izgledaju vrlo prefinjeno.

U 2016. Mondomarine shipyard presented a fifty-meter-long superyacht Ipanema at the most prominent world boat shows - in Monaco and in Fort Lauderdale.

The shipyard started operations in 1915 and today it spreads on more than 35,000 square meters of utilized area, where yachts of over 40 meters in length are built of aluminum and steel. Marketing department is located at a prestigious Monaco address. Ipanema is the 64th vessel delivered from the shipyard in Savona, and the vessel is recognizable by her distinctive color. Strikingly red hull with white superstructure is more than impressive.

The project is a result of collaboration between the Mondomarine engineering team and design studio Hot Lab from Milan, and the outcome is a masterpiece when it comes to both interior and exterior. She combines the Italian, French and English classic style. The yacht is grand and elegant. Modern look of this boat and the use of traditional, top of the range materials make her special, while the space aboard is dynamic and interesting.

Deck pool with an installed smart system for hydro-massage is sure to amaze anyone. Large glazed surfaces of the main salon and the upper deck salon create seamless connection between the interior and the outside world, providing an abundance of natural light at the same time. High quality veneered mahogany, onyx, crystal chandeliers in combination and a variety of traditional styles look very sophisticated.

Gross tonnage: 500 GT

Pristup na jahtu duž centralne staze razdvaja dve velike površine obložene jastucima za ležanje i sunčanje. On vodi do prostora kokpita gde se nalazi deo dnevnog boravka na otvorenom. Platforma za plivače je jedinstvena i odlično projektovana. Velika površina omogućava uživanje u raznim atrakcijama na vodi. Tender čamac ima svoju garažu u krmi. Dvanaest gostiju može da se smesti u luksuzno uređenim kabinama, apartmanima i salonima. Sve kabine su posebno dekorisane, arhitektonski i dizajnerski perfektno urađene sa različitim tradicionalnim detaljima. Na brodu ima oko 37 različitih dekorativnih motiva sa bogatim detaljima koji stvaraju specifičan ambijent i atmosferu na brodu.

Brodogradilište Mondomarine ni ovaj put nije pogrešilo, Ipanema je remek-delo po pitanju tehničkih rešenja, hidrodinamike, konstrukcije i strukture broda. Njena sposobnost plovidbe na morima i okeanima osigurana je sa snažnim motorima sa kojima ostvaruje brzinu krstarenja od 17 čvorova. Autonomija plovidbe superjahte je 3500 nautičkih milja. Ovo je zaista impresivan brod.

Access to the yacht along the centrally positioned walkway separates two large padded areas for lying and sunbathing. This leads further on to the cockpit, where the outdoor part of the living room is located. The swimming platform is unique and well designed. Large space enables enjoying in various attractions on the water. Tender boat has its own garage in the stern. The yacht can accommodate twelve guests in her luxurious cabins, suites and lounges. All cabins are specially decorated, and represent perfection in architecture and design, made with a variety of traditional details. There are about 37 different decorative motifs, all rich in detail, that create a specific ambience and atmosphere on board.

Shipyard Mondomarine has yet again performed excellently, as Ipanema is a masterpiece in terms of technical solutions, hydrodynamics, construction and structure of the boat. Her performance in navigation on the seas and oceans is provided by powerful engines that enable her to achieve a cruising speed of 17 knots. Range of navigation of superyacht is 3500 nautical miles. This is a truly impressive yacht.
