Testing the limits with the fastest monohull sailing yacht ever built, the incredible 42-metre Swan *Skorpios*

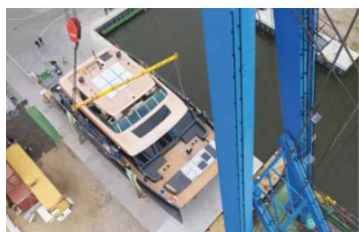

Quicker, cheaper – and whatever colour you want. Meet the owners trading paint for vinyl hull wraps

The catamaran was launched at Sunreef's construction facilities in Gdansk, Poland

## First 100 Sunreef Power cat sets sail

Sporting a rose gold superstructure and grey metallic hull, the first 29.95-metre 100 Sunreef Power catamaran has hit the water for the first time. Designed in-house, the yacht features a garage aft large enough to hold two jet skis and has a 13.5-metre beam, providing large living areas inside. The yacht will now undertake sea trials in the Baltic Sea. [sunreef-yachts.com](http://sunreef-yachts.com)

## Family-friendly Fifty-Five

Designed to accommodate her owner's large family, 41-metre *Yıldız Gemi Fifty-Five* features interiors by Italian studio Hot Lab. "[The owner] didn't have a specific idea in mind for the interior, but suggested inspiration from hotels he has stayed in," said Hot Lab's Enrico Lumini. Guest cabins feature Missoni Home bedding and cushions, while the furniture is by Minotti and Royal Botania. [hotlab.it](http://hotlab.it)

### BOOK OF THE MONTH

Kicking off publisher Assouline's Style series, *Art Deco Style* casts a look back at the global design phenomenon that took hold at the beginning of the 20th century. Encompassing 200 captivating photographs with an introduction by art expert Jared Goss, *Art Deco Style* explores how the style has captured the imagination of designers throughout the ages. £95, [assouline.com](http://assouline.com)
